IGNITING INNOVATION WITH IIM & YUVA TARANG

Technology Conference Innovation Awards
Youth Innovation Festival Networking Dinner

Tuesday 01st October 2024

**The Celebrations Club, Lokhandwala
Andheri (W) Mumbai**

Brief History

TIM

Being a flagship brand of The Naval Connection, Technology in Maritime (TIM) has emerged as a cornerstone event in the maritime industry over the last few years, drawing technocrats and leaders from across the globe to delve into the latest advancements in maritime technology. With a successful track record spanning 3 years, TIM has witnessed the participation of over 100 companies and engaged thousands of delegates worldwide through its hybrid format. Hosting some of the biggest personalities in maritime technologies, TIM continues to pave the way for innovation and collaboration in the maritime sector and beyond.

IIM

Awards

Honouring Extraordinary Students and Sefarers

Introduced in TIM 2023, the Innovation in Maritime (IIM) Awards for students and seafarers emerged as a beacon of creativity and excellence, attracting maritime students nationwide to showcase their remarkable skills and talents. By building on the remarkable success of the IIM Awards, TIM 2024 endeavours to elevate this platform to new heights, aiming to draw even greater participation and innovation from the maritime community.

IIM AWARDS 2024

The IIM Awards 2024 will celebrate the creative brilliance and ingenuity of students and professionals in the maritime industry. This year, we introduce an exciting Institute showcase, inviting participating institutes to physically exhibit their innovative projects for evaluation by our esteemed global jury. Join us in shaping the future of the maritime sector and showcasing your groundbreaking ideas.

For more details on the process to participate, register and submit your nominations for the IIM Awards 2024,

'Yuva Tarang', derived from the Hindi words 'Yuva' meaning youth and 'Tarang' meaning waves, symbolizes the dynamic energy and potential inherent in the young generation. As the first of its kind, 'Yuva Tarang' emerges as a groundbreaking festival dedicated exclusively to maritime students, providing them with a platform to unleash their creativity, innovation, and talent onto the world stage.

At its core, 'Yuva Tarang' aims to create a ripple effect within the maritime community, inspiring and empowering the next generation of maritime professionals to become catalysts for change and progress. By fostering an environment of collaboration, learning, and expression, this festival sets the stage for youth-led development, where the aspirations and dreams of the youth are seamlessly integrated with the evolving needs of society.

YT 2024

In alignment with the overarching vision of 'Yuva Bharat', a national movement aimed at empowering youth and fostering their active participation in nation-building, 'Yuva Tarang' embodies the spirit of youth empowerment and societal advancement. By nurturing leadership qualities, promoting social innovation, and fostering the exchange of ideas, the festival emerges as a transformative force, shaping the future trajectory of the maritime industry and contributing significantly to the broader goals of national development.

Through its innovative blend of physical and digital experiences, 'Yuva Tarang' creates a phygital (a term that combines "physical" and "digital") ecosystem where young individuals are empowered to harness the power of technology and connectivity to drive meaningful change. By bridging the gap between aspirations and opportunities, the festival paves the way for a brighter and more inclusive future, where the waves of youth-led innovation propel the maritime community towards new horizons of success and prosperity.

What will happen in

YAT 2024

Yuva Tarang is a vibrant celebration of youth-led innovation, creativity, and cultural diversity within the maritime realm. As an integral part of the larger TIM framework, Yuva Tarang brings together maritime students from across the nation for an immersive festival experience like no other. Here, the spotlight shines on youth-driven initiatives, where participants showcase their innovative projects, entrepreneurial ventures, and groundbreaking ideas to shape the future of the maritime industry.

Beyond innovation, Yuva Tarang is also a cultural extravaganza, where participants indulge in a kaleidoscope of performances, exhibitions, and interactive activities that celebrate the rich tapestry of India's maritime heritage and global influences. From traditional dances to modern art installations, Yuva Tarang is a melting pot of creativity, fostering cross-cultural exchange and collaboration among participants.
